# OUR MISSION

Friends of the Missouri Governor's Mansion (FMGM) is the **official nonprofit supporting organization of the Missouri Governor's Mansion** and work in partnership with the State of Missouri to meet the needs of the Mansion. Our mission is to **preserve the Mansion, its history and historical treasures,** featured on the first floor, for all Missourians to enjoy.

A photograph of a grand, three-story brick mansion at dusk. The building features a prominent portico with columns and a decorative roofline. In the foreground, a large, ornate fountain with multiple tiers and water spraying upwards is illuminated. The scene is set against a twilight sky, with trees and garden beds visible. The text "FIRST IMPRESSIONS" is overlaid in large, white, serif font across the center of the image.
